

EXCELLENT PROPERTY, LOCATED IN A PRIVATE LOCATION, NEARLY 2000SQM.

Maldon has long been the weekend escape for many people as it has a rich tapestry of old colonial homes, miners cottages, and enchanting streetscapes. The reminder of the gold mining days is reflected in the architecture and the town's historic Main St, with verandah posts and old shopfronts, most that have never changed over the last 100 years...

The property on offer here has huge potential, with the land size being nearly 2000 sq m. , on two titles.

There is an old but interesting "house" structure on the property that was built over 20 years ago.

As you probably already know there is a shortage of building blocks in Maldon...and the average house price in Maldon is over \$650,000. Sales over \$1m are not uncommon now.

The eventual finish here, located in a treed canopy and very private location, could be one of Maldon's finest homes. 2000 ish square metre blocks in two titles are near impossible to find in the area.
