

12 Polsue Street, Maldon

Eco-friendly, Sustainable design, and originality. Vendors keen to sell !! Act now!

Comfort, beauty, and sustainability come together in this breathtakingly beautiful rammed earth home. The home was built by leading builders Eco Sustainable Homes of Castlemaine. Their bespoke designs are purpose built for every individual client, incorporating state of the art energy and sustainability features not found in most regular builds.

There is a beautiful sense of superior build quality as you enter this home. The designers have spared no expense on design and functionality, to achieve a fabulous end result.

Below are the most outstanding features of this property:

- Passive solar design for energy efficiency
- Rammed earth walls to regulate internal temperatures
- Premium Stiebel Eltron underfloor heating and cooling system
- North-facing floor-to-ceiling windows
- Stunning views over productive gardens, orchard and mature gums
- Double glazed argon gas windows, housed in thermally-broken Rylock

ESTIMATED REPLACEMENT VALUE ON TODAYS MARKET:

Land:	-	\$340,000.00
Building:	-	\$500,000.00 (to include all of the above specs)
Landscaping:	-	\$40,000.00
Total		\$890,000.00

Factor in construction time and the rising costs of trades and materials to appreciate the outstanding value on offer here.

No longer will you have the burden of skyrocketing power/energy costs and can instead focus on enjoying country living in one of Maldon's most unique home builds.

This is a home that you must inspect to appreciate the quality of design, the excellence of construction, and the pleasant ambience it inspires. Rarely do you find a purpose built house that will enhance your lifestyle for the better, for many years to come.

Come and enjoy country living in the most comfortable way possible.

Contact Carthew Real Estate now to inspect this home! Available any time.
